

## What is required for a good payments solution...

CerTek has partnered with PayPros® to offer you an easy, efficient and secure integrated payment solution for credit card processing that saves you time and adds convenience to your business!

- **One-step payment processing.** Process cards directly within Artisan POS and reduce costly errors and reconciliation times.
- **Free online reporting.**
- **No payment gateway software costs.**
- **Increased cash flow.**
- **Better-than-bank merchant services.** Keep your deposit bank but let PayPros deposit your credit cards. Aggressive rates, better support, and no need to sign a Cross Default Clause.
- **Reduced possibility of employee theft with less cash handling.**
- **Greater data security** – Get \$200,000 in breach guarantees and coverage with the PayPros PCI Validation Program, visit: [www.paypros.com/ds/merch.asp](http://www.paypros.com/ds/merch.asp).
- **FREE 24/7/365 payment processing support.**

**Easier to use, less errors and meets mandated compliance . . .**

**Why not use it?**

**Call PayPros today to get started!**
